

Appl. No. 10/719,962  
Amdt. Dated 04/06/05  
Reply to Office Action of 01/24/05

**Amendments to the Specification:**

Please replace the paragraph beginning on page 2, which starts with "The collar receiving portion" with the following amended paragraph:

—The collar receiving portion further has a bottom edge portion with the attaching mechanism disposed substantially between the bottom edge portion and the top edge portion thereof.—

Please replace the paragraph beginning on page 4, which starts with "Still referring to FIGS. 3 and 4," with the following amended paragraph:

—Still referring to FIGS. 3 and 4, the collar receiving portion 12 further has a bottom edge portion 14 with the attaching mechanism 40 being disposed substantially between the bottom edge portion and the top edge portion thereof, as perhaps best shown in FIG. 6. In particular, the bottom edge portion 14 is removably engageable with the body 11.—
